Foi formalizada em Paris, no passado dia 31 de outubro, por intermédio do Diretor Geral da UNESCO, Audrey Azoulay, a criação da rede internacional UNITWIN “Health and Education: Innovating for Sustainable Development”, em que o CIEC é membro fundador, juntamente com mais de 30 universidades e instituições internacionais do continente europeu (Portugal, Alemanha, Escócia, França, Holanda, Itália, Roménia, Rússia e Suíça), americano (Brasil, Canadá, Haiti, Peru e Venezuela), africano (Argélia, Costa do Marfim e Senegal) e asiático (China, Irão, Japão e Líbano).

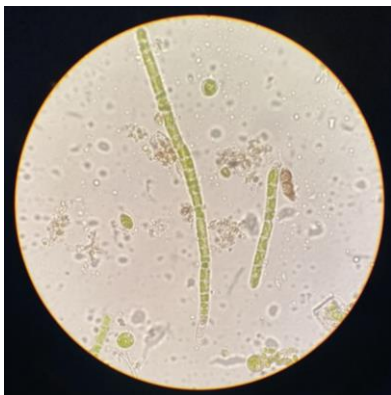

O “National Contact Person” de Portugal é a Profª Graça Simões de Carvalho, investigadora do CIEC (Centro de Investigação em Estudos da Criança), do Instituto de Educação da Universidade do Minho.
